## BILLING RIGHTS SUMMARY

### In Case of Errors or Questions about Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us at the address shown above as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
  - The dollar amount of the suspected error.
  - Describe the error and explain, if you can, why you believe there is an error.
- If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

### Special Rule for Credit Card Purchases

If you have a problem with the quality of goods or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods and services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

## ELECTRONIC TRANSFERS

### In Case of Errors or Questions About Your Electronic Transfers

(For Consumer Accounts Used Primarily For Personal, Family or Household Purposes)

Telephone us at the customer service number provided on Page 1 of this statement or write to us at the customer service address provided above as soon as you can, if you think your statement or receipt is wrong or if you need more information about an electronic transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number, if any.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error and, if possible, the date it appeared on your statement or receipt.
- It will be helpful to us if you also give us a telephone number at which you can be reached in case we need any further information.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

[For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.]

## FINANCE CHARGE CALCULATIONS FOR OVERDRAFT LINE OF CREDIT ACCOUNTS BASED ON AVERAGE DAILY BALANCE COMPUTATION METHOD

### Calculating your Finance Charge

We compute your finance charge by multiplying the Average Daily Balance of your account by the Daily Periodic Rate and then multiplying the result by the number of days in the billing cycle.

### Calculating your Average Daily Balance

To get the average daily balance, we take the beginning balance of your account each day (which does not include any unpaid finance charges or fees), add any new Overdraft Line of Credit transactions as of the date of those transactions, and subtract any payments or credits. This gives us the daily balance. Then we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of your account.

### Negative Information

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

### Change of Address

Please call the number shown on the front of your statement to notify us of a change of address.

### BILLING RIGHTS SUMMARY

### In Case of Errors or Questions about Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us at the address shown above as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error.  
If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

### Special Rule for Credit Card Purchases

If you have a problem with the quality of goods or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods and services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

## ELECTRONIC TRANSFERS

### In Case of Errors or Questions About Your Electronic Transfers

(For Consumer Accounts Used Primarily For Personal, Family or Household Purposes)

Telephone us at the customer service number provided on Page 1 of this statement or write to us at the customer service address provided above as soon as you can, if you think your statement or receipt is wrong or if you need more information about an electronic transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number, if any.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error and, if possible, the date it appeared on your statement or receipt.
- It will be helpful to us if you also give us a telephone number at which you can be reached in case we need any further information.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

[For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.]

FINANCE CHARGE CALCULATIONS FOR OVERDRAFT LINE OF CREDIT ACCOUNTS  
BASED ON AVERAGE DAILY BALANCE COMPUTATION METHOD

### Calculating your Finance Charge

We compute your finance charge by multiplying the Average Daily Balance of your account by the Daily Periodic Rate and then multiplying the result by the number of days in the billing cycle.

### Calculating your Average Daily Balance

To get the average daily balance, we take the beginning balance of your account each day (which does not include any unpaid finance charges or fees), add any new Overdraft Line of Credit transactions as of the date of those transactions, and subtract any payments or credits. This gives us the daily balance. Then we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of your account.

### Negative information

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

### Change of Address

Please call the number shown on the front of your statement to notify us of a change of address.

Thank you for banking with Citizens Bank.
